Welcome to Mulberry Meadows! We hope you enjoy living here.

Peter Evans Partnership is working in partnership with Stonewater to provide you with all of the travel information you need following your move to your new home.

As a welcome, we are delighted to offer you this Travel Information Pack for the local area and a Travel Voucher up to the value of £250, depending on the size of your home. This voucher can be used to redeem the cost of equipment purchased to enable sustainable travel or travel on public transport.

We also have a range of other travel initiatives available with further details attached to this letter.

We hope the travel information enables you to find out about the sustainable travel choices available to you and with the voucher provide an opportunity for you to try different ways to travel.

Key benefits of travelling sustainably include saving money, keeping fit and also reducing your carbon footprint.

As a quick reminder if you need to use public transport that timetables can currently be subject to alterations at short notice. As such we would advise visiting www.southwestcoaches.co.uk to check bus service times and frequency before travelling, and prior to travelling by rail we would advise checking www.gwr.com and www.nationalrail.co.uk for the current service timetable.

We hope the information provided within this welcome pack will be useful to you.

If you have any queries please do not hesitate to email us at: travelplan@pep-bristol.co.uk or give us a call on 01179734355.
